FOR IMMEDIATE RELEASE

Thirteen New Confirmed Cases of COVID-19 Reported in Christian County

Christian County is announcing thirteen (13) additional COVID-19 cases. Eight (8) cases have been linked to previously reported positive cases, two (2) cases are considered to be community spread, and three (3) cases are still being investigated. To date, Christian County has a total of seventy-one (71) cases (sixty-four (64) confirmed and seven (7) probable). Thirty-three (33) active cases are currently being monitored.

Symptoms of COVID-19 include: · Fever or chills · Cough · Shortness of breath or difficulty breathing · Fatigue · Muscle or body aches · Headache · New loss of taste or smell · Sore throat · Congestion or runny nose. Anyone experiencing symptoms of COVID-19 should stay home and seek medical attention.

The health department would like to remind residents that COVID-19 is still circulation in our community. The best way to prevent illness is to avoid being exposed to the COVID-19 virus. In order to help decrease your risk of contracting or spreading COVID-19, the health department recommends that you practice social distancing while out in public areas, wear a face mask or other face covering if social distancing is not possible, practice good hand hygiene, and avoid crowded areas or large gatherings
